De	Control Union Chile SpA
Asunto	Letter "Ongoing ASC Certification Process"
Fecha	Puerto Montt, March 15, 2024

Dear Lucas Maglio,

To whom it may concern:

Hereby, Control Union Chile declares that the sites "Río Negro (site code ASC S0006214)" and Neuquén (site code ASC S0005759)", under the management/ownership of IDRIS PATAGONIA S.A. located in the Province of Río Negro and Neuquén, Argentina, were audited under the Aquaculture Stewardship Council (ASC) standard, scope Freshwater Trout v1. 2 by auditors Cristian Vargas and María Fernanda Soria on February 15th, 16th, 20th, 21st and 22nd, 2024, for the species Rainbow Trout (*Oncorhynchus mykiss*).

During the audit process there were no critical non-conformities and the final certification decision will be made when all corrective actions have been approved by the lead auditor and the certifier.

We extend this document for the purposes that **IDRIS PATAGONIA S.A.** deems convenient.
